**Age - 31**

**1 - Favourite Position (not sexual)?**  
Anywhere central but preferably CDM. I enjoy being able to pick a pass in front of me - practically missionary on a field.

Cheese board/Ploughman's. Any excuse to eat with my hands

Before noon = Coffee, Afternoon = Lager, Evening = Gin & Tonic

**4 - Favourite team?**  
1999 Man United squad.

**5 - Favourite player and why?**  
Paul Scholes, dominated games for years and loved a tactical foul. Would have been England's best player if he had a chance playing central.

**6 - First team played for?**  
Banbury United (Oxford)

**7 - Best Ground ever played at and why?**  
Banbury United (Spencer Stadium) - playing for Banbury reserves against top of the league and getting man of the match at 17.

**8 - Best football moment?** Man United vs Real Madrid (4:3) 2003 Champions league game. Unbelievable giants on one football pitch. Beckhams farewell and Brazilian Ronaldo dominating.

**9 - Favourite Film?** Interstellar - Any Christopher Nolan film.  
**10 - Favourite band or genre of music?** Oasis - Definitely maybe!
